《 Locker room on 2nd floor 》

- Take off your shoes before the red carpet. Men's locker room is on the right, and Women's is on the left.
- The locker is divided into "Dry Zone" with wooden floor and "Wet Zone" with green concrete floor.
- If you go to the gym or the studio, use the locker in "Dry Zone," and go up stairs out of the locker room.
- If you go to the swimming pool, use the locker in "Wet Zone," and go through the door far into the room and turn right.
- Choose any locker you like. Ignore the number on the locker card.
- The lockers with a key on are vacant.
- Open the door of a locker and put the card into it as the arrow on the card indicates, only then can you turn the key to lock.
- When you leave, bring the locker card to the reception desk, and you get your Genkikan card in exchange for the locker card. Confirm whether you have all your belongings: Things left behind are to be disposed after 2 months.
- Don't let the "Dry Zone" floor get wet after you used shower or the pool. When the floor got wet, wipe with a mop in the locker room.
- After using the water-basin, wipe water out with a towel and return the dryer into the basket.
- Don't spin dry too much swimsuits at the hydro-extracting machine.
